Well, you can tell

by the way I use my walk, I'm a woman's man: no time to talk...

got low and I get high, and if I can't get either, I really try... Got the

Music loud and women warm, I've been kicked around since I was born. And now it's

wings of heaven on my shoes, I'm a dancin' man and I just can't lose. You know it's
all right... It's O K... And you may look the other way...
all right... It's O K... I'll live to see another day...

We can try to understand the New York Times' effect on man.

Whether you're a brother or whether you're a mother, you're stayin' alive, stayin' alive...

Feel the city breakin' and every body shakin', and we're stayin' alive, stayin' alive...
Ah, ha, ha, ha, stay-in' a-live, stay-in' a-live. Ah, ha, ha, ha, stay-in' a-live.

Well now, I...

Suddenly you're in my life,
part of everything I do. You
reflecting how I feel for you,
thinking 'bout those people then, I

got me working day and night
just tryin' to keep a hold on you.
know that in a thousand years
I'd fall in love with you again.

Here in your arms I found
This is the only way that we should fly.
paradise,
my only chance for happiness.
This is the only way to go.
And if I lose you now, I think I would die.
And if I lose your love, I know I would die.

Oh,
say you'll always be my baby. We can make it shine.

We can take forever just a minute at a time.

Oh.

More than a woman.
More than a woman to me.
